ABOUT US & OUR MISSION

Say I do in Peru is a family-owned company specialized in organizing weddings in Peru. Wendy, a Peruvian business woman and her husband Brian, a US lawyer, created the company in 2002 when they organized their own wedding in Peru. They had the dream to get married in Peru with their loved ones and friends from Peru and abroad. When they decided to get married in Peru, they searched for a company that would help them organize their wedding and who demonstrated competence with the logistics for their guests. They envisioned a wedding in Lima and a “Chaperoned Honeymoon” trip to Cuzco. They either found wedding coordinators with no experience in travel or travel agencies with no experience in weddings! So they decided to do it themselves...and the task was not an easy one. It took them months to sort everything out and think about every detail. The result was a 220-guest wedding, 122 of their friends and family traveled from all over the world to attend the wedding and 65 join them in their trip to Cuzco. After a year of planning, all travel and wedding details were perfectly organized, Wendy realized she had a knack for the business and with her husband decided to first create Magical Cuzco Tours (a tour operator company) and later Say I Do in Peru, a company dedicated to both help couples with their wedding and guest travel services, all in one place! We customize your family and guests travel itineraries to fit your wedding program and their travel interests while visiting Peru.

Our mission is to design memorable, sophisticated and fun celebrations in Peru’s most authentic and fascinating settings. We customize your families and guests travel itineraries to fit your wedding program and their travel interests while visiting Peru.

The Value of Working With us

We understand that choosing your wedding planner is a very important decision to ensure a magical experience so here are some reasons we think we are special:

Full Services Focus: In addition to being a company that specializes in high quality tours to Peru, we also have extensive experience in planning weddings and events, which makes us unique. You can organize your wedding with us and take care of the tour in the same place.

International approach: As a Lima based company with offices in Washington, D.C., we have extensive experience working with international couples as well as local couples or mixed ones. Part of our team had experience working or living abroad that is why we are able to totally understand the needs of both foreign and local couples.

Religious traditions and types of celebrations: We accommodate couples with any type of wedding celebration, religious, civil, shamanic or andean wedding ceremonies, vow exchanges, vow renewals, etc. Our staff is extremely flexible and open to new challenges and ideas.

Network of suppliers: We have built a solid network of reliable wedding suppliers in Peru and we can guarantee the highest standard in the country.

Wedding planning: It's the experience in planning that sets us apart from others. We will help you arrange all the details (and they are many) for your special day and making sure the most important people in your life can join in on your celebration. We work extremely hard to make sure no detail is overlooked and would accommodate special requests and different customs. Since our couples live abroad, we have developed a state-of-the-art process in which we document all for you. In this way, you can follow through descriptions and/or pictures how your wedding planning is going.

GUEST TRAVEL SERVICES

We will manage your guests' travel arrangements and we will take care of the following:

1. Save the Date: In the US, the Bride & Groom send a letter to their guests where they explain all the details related to their wedding. Our in-house graphic designer will help you with the design of your Save The Date.

2. Transportation to Events & Lima Package:

In addition to the tour to Cuzco, we can also help transporting your guests to the different events during the wedding week.

3. Hotel: We help the Bride & Groom to pick the hotel for them and their guests (which usually depends on the price, location in relation to their house in Lima if applicable or the events planned before/after the wedding).

4. Trip to Cuzco and/or Other destinations:

Depending on what the bride&groom want for their guests, we customize a special itinerary.

5. One-to one Assistance to Each Guest:

We assign one person from our office who will customise the itinerary for each guest, and change details for those guests who have special requirements and needs. We have extensive experience in preparing customized itineraries to Peru.

6. Credit Card Payment: As you know, our company is based in the US, so we have the ability to accept credit cards and process them in the US. This also gives clients a peace of mind of not sending money to an unidentified account in Peru.

7. 800-number: We have an 800 number and two Virginia based numbers so that your guests can call us without having to make an international call. This way Bride & Groom and their guests can easily talk to our Operations team and to the wedding specialist assigned to their wedding.

8. International Tickets: We can help Bride&groom and their guests providing quotes for their international and domestic flights.

The Value of Working With us

24-hour standard: We proud ourselves to be the quickest on the market: we answer each of your requests in less than 24 hours. Most travel agencies in Peru or US do not offer this kind of service and you will notice that to get a reply will take more than a day.

Airfares: We offer great deals for international and domestic plane tickets since our business partner allow us to access a preferential channel for international travelers,

No surprises: our proposal states all the activities included in the trip to Peru, so people know exactly what they are paying for.

No errors: In weddings, many people work with similar but not same itineraries (they dont arrive the same day, or in the same flight, or stay in the same hotel, or have different tours, etc) , errors on reservations are quite common as you work with many itineraries at once. We have developed a proprietary system specially created for weddings and help us to control each guest itinerary and avoid all errors.

Bilingual team: at Say I Do in Peru we all speak English and Spanish fluently so that we are able to communicate with all your international and Peruvian guests without any problem. We know that language could be a serious issue when it comes to destination weddings and that is why it is mandatory for our company to have bilingual staff.

We will help you determine the best way to accommodate all of your needs and desires for your wedding within your budget. WHAT OUR CLIENTS SAY ABOUT US

“We just wanted to extend our most sincere gratitude to Magical Cuzco Tours for helping us plan our wedding. Our dream was to get married in The Monastery hotel in Cuzco and without Magical I don’t think it would have been possible. They helped organize 83 people coming from around the world, with an amazing week full of fun, discovery and adventure. During the planning months they were available and willing to answer all of our questions and concerns. The tour guides where really nice and had a deep knowledge of Cuzco and Machu Picchu. During the wedding week we really saw Magical Cuzco Tours really shine. That particular week in Cuzco was no ordinary week and I feel that we saw the agility, ability, knowledge, wits and grace of Magical Cuzcos associates. During that week Cuzco had issues with a strike and it compromised transportation, tours and flowers, as well as an airplane emergency landing that

created really long delays. All issues beyond the powers of Magical, yet Magical’s ability to adapt and find solutions really made a difference and we had the wedding of our dreams.”

Cheers,

Alejandro and Carolina

“Good afternoon, I want to thank you and your team for making and enjoyable, memorable and unforgettable experience for everyone of our guests and families. Everyone loved the tours, they felt in love with the City, the food and the people. I will share and post pictures on my Facebook and Instagram. Once again thank you for your great work and making this happened!!!”

Regards,

Nicole and Mohammed

Thank you very much for making our wedding the best day of our lives. We had such a pleasant experience working with each of you this past 1.5 years. Our guests had an incredible time and kept on thanking us for coordinating such a fun pre-wedding trip & wedding! We honestly couldn't have executed such a flawless wedding and pre-wedding trip without each of you.

The first thing Marco said the morning day after our wedding was "I want to get married again!". Perhaps in another 10 years we'll coordinate a renewal wedding. Till then, please stay in touch & let us know if you guys need anything from us!!

Love,

Anna & Marco

We would like to thank you for organizing our wedding day. Everything was perfect and we have had a wonderful experience forever!

Best,

Šárka & Ondřej

You have no idea how much we appreciate what you did for us. The wedding was amazing!!!! I know we had a few curve balls, but the kindness and professionalism you showed made all the headaches vanish. This is a true talent and we thank you all from the bottom of our hearts. The way you took care of Alessandra and made sure I knew and all my best men knew what they were doing - we couldn't have done any of this without you all. You allowed us all to enjoy this special moment for a lifetime. I would smile and laugh every time I saw Veronica, or Wendy or any of the ladies, because I knew we didn't have to worry about a single thing.

The honeymoon was spectacular and I wish I could do it all over again.

Thank you for helping create some of the most cherished memories for Alessandra and I.

We will be back in Peru again soon and will stop by!! If any of you come to Miami, please let us know

Love you all!

Paul & Alessandra
